

Just Two Weeks To Go Until the 2020 Energy from Waste Conference

The annual Energy from Waste conference will take place in just two weeks' time, on 1st – 2nd December on SMi Group's Virtual Conference Platform

LONDON, ENGLAND, UNITED KINGDOM, November 16, 2020 /EINPresswire.com/ -- Energy from Waste 2020 will bring together international waste management operators, developers, bankers, private equity financiers, technology providers and industrial end users to explore updates in EfW technology, financing and infrastructure, with the goal to ensure the solutions are available to fast track the growth of the industry worldwide.

Taking place as a virtual event on the 1st – 2nd December, the conference will enable the Energy from Waste community to come together and continue to network, stay informed on the market, and work towards achieving essential net-zero targets.

Interested parties are urged to [book their ticket](#) as soon as possible, as registrations will be closing soon.

This year's Energy from Waste conference has attracted an international audience to join in on this crucial discussion, making it the perfect opportunity to network virtually with key stakeholders within the Energy from Waste industry.

Here is an insight into just a few of the organisations who will be attending:

AFRY | Air Liquide | Andusia Recovered Fuels Ltd | BC Energy | BIFFA | Britania Crest Recycling |
