Conn former clients with denied disability claims, and providing free tax filing assistance for those who unable to navigate the forms. In his spare time, Chai volunteers with Habitat for Humanity to provide housing for those in need of shelter.

About The SafeCare Group®
The SafeCare Group is focused on helping patients by extending our products across their healthcare journey - everything from finding a hospital, writing reviews, and staying connected afterwards. In 2019, The SafeCare Group launched RateAHospital.com to allow patients to share care experiences, and in 2013, the 100SafeCare Hospitals.com rankings were created to empower healthcare consumers. Since 2016, The SafeCare Group invested heavily into Artificial Intelligence (AI) platforms known as Intelligent Healthcare™ PaaS by leveraging machine learning and deep-learning capabilities. SafeCare AI® Suite fosters a new generation of AI applications, which are able to sense, reason, act and adapt, to address a range of healthcare challenges in areas such readmissions, medical errors, infections, cost, and outpatient utilization. Since 2014, SafeCareSoft® SaaS solutions enable hospitals to take advantage of disruptive healthcare software known as Softwaring Healthcare Excellence® that optimize hospital ratings and regulatory accreditation. The SafeCare Group® was founded in 2010 and is celebrating its 10th anniversary.
