Back Yard Designs comprises a team of expert staff members and fertilizer specialists who are dedicated to providing A-1 quality service to their clients. The management is committed to helping their clients keep their lawns in a presentable condition. In the words of one of the managers at Back Yard Designs: “Our staff and our family are committed to providing quality home and garden services at an affordable price to our loyal customers.

We provide [commercial and residential](#) lawn sprinkler systems and repairs, mosquito control, landscaping, hardscapes, landscape lighting, and drainage to hundreds

of residents and businesses. All of our service professionals share in our customer service philosophy of putting our customer’s needs first. We guarantee total satisfaction on all services. We take pride in our work and provide the professionalism that you are looking for. We offer exceptional service at great prices.”

Along with providing a list of lawn care services such as lawn fertilization, surface insect-pest control, weed control service, soil pH control, mechanical core lawn aeration, seeding, and nutsedge control, Back Yard Design also offers unparalleled Landscaping Valdosta GA services. Well-maintained landscaping is not only pleasing to the eyes but also enhances the value of the

property. Professionals at Back Yard Designs understand that every lawn is unique and there is no one-size solution for all lawns, therefore, they provide custom-tailored landscaping services to their clients. The full-service landscape services include [spring/fall cleanup](#), irrigation service, landscape lighting, and snow and ice management.

Back Yard Designs has also gained a reputation for providing Hardscaping Valdosta GA services. The term hardscape is used for non-living elements of a landscape such as brick or flagstone patios and walkways, retaining walls, natural ponds, waterfalls, and wood decks. Hardscaping elements add more charm to the overall beauty of the landscape. The highly experienced professionals at Back Yard Designs are well equipped to design and build walls, walkways, and unique backyard focal points.
