

Your Home Sold Guaranteed Realty's Unique System Helps Agents Earn High Income Living Without Ever Prospecting Again

ROSEMEAD, CALIFORNIA, UNITED STATES OF AMERICA, November 17, 2020 /EINPresswire.com/ -- [Your Home Sold Guaranteed Realty](https://www.einpresswire.com/your-home-sold-guaranteed-realty) (YHSGR) announces that it is accepting applications for agents who are interested in benefitting from its unique lead generation system that has helped the company complete over 1 billion dollars in real estate transactions throughout the pandemic, all without the use of cold calling or open houses. CEO [Rudy Lira Kusuma](#) credits YHSGR's success to the fact that they are the only real estate company that is able to generate warm connections with prospects, essentially pre-qualifying leads by having prospects come to them through a clever reverse marketing system that has proven successful for over 5,000 transactions.

Thriving Real Estate Brokerage Perfects Lead Generation Process to the Point Where Agents Have Overflow of Company-generated Warm Prospects Even Through Challenging Pandemic Era Economy

Breaking Industry Norms – How Overcoming the Status Quo Gives YHSGR Agents the Upper Hand

Traditionally, real estate industry norms dictate that agents spend an abundance of time coming up with their own method of prospecting which involves constant cold calling, knocking on doors looking for clients, testing out different methods of marketing and generally working long backbreaking hours as a one person operation. In short, this leads to a long difficult road to success that often results in an income roller coaster that leaves agents with lots of uncertainty. At Your Home Sold Guaranteed Realty, however, there is an easier, better approach to prospecting in which the company generates consistent warm leads so that agents can focus

100% of their time servicing clients and closing deals.

Your Home Sold Guaranteed Realty drives growth for agents by providing qualified warm connections to home buyers and home sellers all without the need for an upfront investment. Through their Live Connection Program, the company supplies a constant flow of warm leads through a proprietary process that involves the following steps:

1. Prospects contact them. With a clever reverse marketing approach, prospects raise their hands and pre-qualify themselves as a warm or hot lead. They do absolutely no grunt prospecting or cold calling of prospects.
2. Once a lead is further vetted by inside sales and ready for an appointment, the motivated lead is passed to YOU, an expert Outside Sales Agent for an in-person meeting with the client where you can focus on servicing the client and converting the sale. You are never wasting your time with leads who don't want to talk to you or are not ready to buy.

At YHSGR, they are so confident in this approach that the policy is that you pay nothing to the company until you earn. A success fee is due only when you close a transaction with a client from the company generated leads and appointments. And the more deals you close, the more leads and connections YHSGR will provide to you, allowing you to rapidly build upon your success.

New Agent Closes 5 Million Dollars in Transactions in 90 Days

[Donna Yu](#) came to the US from the Philippines where she was an agent but admits that the real estate game in the Philippines is completely different than in the US. She initially started with another brokerage and was made promises for leads but had no success in 3 months and was beginning to bleed money from associated costs of doing business and prospecting. However, after coming to YHSGR during the pandemic, success was in her grasp. Following their proprietary lead generation and sales system, she sold two homes in the first month and in the last 3 months, she has closed 5 million dollars of real estate deals, with 7 more deals in escrow. Her advice to new agents with YHSGR is not to skip any of the training and to trust in the process—it works!
