

# Telemetry MBI Business Intelligence Platform Brings Performance Metrics & Analytics to Tax and Accounting Firm's Clients

*Acquavella, Chiarelli, Shuster, LLP forms Alliance with 5X Solutions, LLC*

SAN DIEGO, CALIFORNIA, UNITED STATES, November 17, 2020 /EINPresswire.com/ -- [5X Solutions, LLC](#), a mortgage lending business intelligence and data analytics company has announced a strategic alliance with [Acquavella, Chiarelli, Shuster, LLP](#) (ACS). ACS provides certified public accounting and advisory to mortgage lenders.

This alliance will augment ACS's services with mortgage-centric business intelligence. 5X Solutions, LLC provides ACS clients with year-end reports of key performance indicators. This report outlines financial and performance metrics that help clients gain insight into their mortgage business.

"Business Intelligence ("BI") provides a deeper understanding and a new level of transparency of the inner workings of your business. Watching your numbers and key performance indicators ("KPIs"), daily, monthly, quarterly, and annually, will help you steer clear of risk and achieve your goals. An early warning of negatively impacting trends eliminates unexpected outcomes and helps you manage a changing business environment with minimal risks. Our approach to BI is to provide turn-key, real-time analytical visualizations related to YOUR KEY PERFORMANCE INDICATORS and FINANCIAL outcomes to reduce time, improve your ability to manage, and eliminate the need for antiquated reports and spreadsheets." stated Santo Chiarelli of Acquavella, Chiarelli, Shuster, LLP (ACS).
