Julia hair is a top hair vendor online. The company located in Xuchang city, Henan province, China where is the base of hair products. This is a city be known as a hair supplier in the whole world.

Julia hair has its own hair factory and sales team, more than 1000 workers. their main products are [weave hair](#), lace closure, lace frontal, human hair bundles with a lace closure or lace frontal. To meet the different customers' requirements, they produce many [human hair wigs](#) for black women which is easy to handle and save time. Such as body wave hair wigs, straight wave hair wigs, and curly hair weave are the main three hair products. There are also fake scalp wigs, HD lace wigs, half wigs, lace front wigs, full lace wigs, and hat wigs. In a word, there should be one hair wig fit for you in Julia hair.

More than 10 years of experience to make hair products, their skills are high. All their insist on making the most suitable hair for women. In the USA, they have a warehouse which arranges the shipment fast and conveniently. Customers in USA can get the package in a short time 3-7 working days, if customers have any problems with their items, they can contact the customer service center hotline for help.

Fashionable hair wigs are welcomed by African American women.

[Headband wigs](#) are wigs with headbands attached, easy to install, no lace, no glue, and no gel. Customers who bought it can install it in 3-5 minutes. If they are hurry to party or work, this headband wig should be the best choice. After installing it, they can make bun, ponytail, and braids. one more important, the wigs are affordable which saves more for the black women who want to have a wig at a low price. But, the hair quality can make sure, all the sew in hair is 100 human hair, no mix, no lice, no split, tangle-free, and shedding free.

HD lace wigs mean the lace is transparent. The masters make these wigs with invisible and undetectable lace, the hair strands are sewed on the lace by hand. so the price is higher than headband wigs or wigs without lace. But the effect is great, people who wear this HD lace wig can't be found wearing a wig till you touch their hair. It looks like their own hair grows out of their scalp.

People who want to do hair wigs by themselves can buy some hair weave like 3-4 human hair bundles to make a wig. If they want to make their wigs more invisible and natural, they can purchase a lace closure or lace frontal matches with the hair bundles. Because you can part your hair wig in any direction on the lace closure or lace frontal.

If customers are tired of natural black hair weave or wigs, they can buy colored wigs, like honey blonde, highlight blonde, especially T412 highlight blonde wigs are popular among African American women. This color matches their skin better, very pretty, fabulous, and amazing. For customers who don't want to have natural color hair, you can choose a colored wig to have a try.
