The coronavirus pandemic has brought into sharp relief the growing problems with today's animal agriculture system: slaughterhouses becoming COVID-19 hotbeds, workers infected, the mass animal killing system backed up, farmers told to "depopulate" the animals they raised. Many have begun to seriously consider alternatives to animal agriculture. But, what do they do, instead, to survive and thrive on their land?

STRATEGIZING ALTERNATIVES AND HOW TO TRANSITION TO THEM

To answer that question, [Rowdy Girl Sanctuary](https://www.rowdygirlsanctuary.com/) in Texas is hosting this summit through its

The poster features a background image of a herd of cattle in a field. At the top left is a circular logo for the "RANCHER ADVOCACY PROGRAM" with the text "It's a RAP!" inside. To the right of the logo, the text "RAP Live! SUMMIT 2020" is displayed in large, bold letters, with "EVOLVING BEYOND ANIMAL AG" in smaller text below it. The date and time "November 21, 2020 10 PST • 12 CST • 1 EST" are prominently shown. Below this, the text "HOSTED BY:" is followed by two headshots. The first headshot is of Jane Velez-Mitchell, with her name and "Jane UnChained" listed below. The second headshot is of Renee King-Sonnen, with her name and "Founder of Rancher Advocacy Program & Rowdy Girl Sanctuary" listed below. At the bottom, an orange banner contains the text "Learn More • Register • Contribute" and the website "RancherAdvocacy.org/Summit". Below the banner, it states "The summit will be moderated by Renee King-Sonnen and Jane Velez-Mitchell".

Rancher Advocacy Program in conjunction with the JaneUnChained News Network. It will feature leading names in the plant-based movement: Miyoko Schinner of [Miyoko's](#) famed vegan cheese and butter line, filmmaker Kip Andersen of Cowspiracy and What the Health, Mercy for Animals President Leah Garces, Urban Veganic Farmer Eugene Cooke of Grow Where You Are, Dr Sailesh Rao of Climate Healers, Kim Sturla of Animal Place, Robert Grillo of Free from Harm, Rowdy Girl's Renee King-Sonnen and Tommy Sonnen, [JaneUnChained.com](#) founder and journalist Jane Velez-Mitchell and two ranching families transitioning to a non-animal model.

OVERCOMING CHALLENGES

There are many challenges: tradition, family, community pressures, onerous contracts with giant meat corporations, debt, and infrastructure.

“

How can we evolve beyond animal agriculture? We must address this question if we are to reverse climate change, avoid future pandemics and survive as a human species.”

Jane Velez-Mitchell

FINDING SOLUTIONS

Mushrooms, hemp, solar, bamboo, veganic dirt, micronutrients: there are many possible alternative products and income streams. The summit will trade ideas on what might work in different regions, types of land and facilities.

The summit will also tackle macro solutions to fund these transitions, like the formation of plant-based cooperatives and green bonds.

REGISTER FOR THIS LIVE AND INTERACTIVE EVENT

The summit will be broadcast from JaneUnChained's Facebook page and shared across numerous platforms. The public can also attend for free via zoom, allowing them to ask questions of the speakers. REGISTRATION IS REQUIRED TO ATTEND THE ZOOM.
