[Therapy](#), a Bay Area clinic focused on treatments for PRP (Platelet Rich Plasma) [hair loss](#) therapy at

<https://svhi-prp.com/>, is proud to

announce a new online option for the initial consultation for any patient who

is searching for PRP for hair loss near them. Many patients are using the "work at home" trend to upgrade their hair, including using PRP for hair loss. They often use the common search for "PRP therapy for hair loss near me" as they try to find a best-in-class PRP for hair loss clinic in the area near Foster City, San Mateo, and Burlingame, California.

“

Our online consultation makes the first encounter very easy for our potential clients.”

Miguel Canales

"Our online consultation makes the first encounter very easy for our potential clients," explained Miguel Canales, surgeon, and founder of SVHI PRP therapy. "PRP is just one option for hair loss therapy, and by meeting with the client over the Internet we can discuss not just PRP for hair loss but other options including hair transplantation. It makes it easy to find the best step for a man or woman's hair loss

mitigation strategy."

Bay Area residents can book an online or a face-to-face appointment to discuss PRP for hair loss at <https://svhi-prp.com/contact/>. In addition, those who want to learn more about PRP therapy can visit the robust information page at <https://svhi-prp.com/faq/> which contains newly updated information for November, 2020.
