## About Southside Yoko

Growing up in the city of Hampton, VA, Southside Yoko has always been passionate about music. He's always been inspired by his uncle, a legendary guitarist and producer of David Williams; who worked with Michael Jackson, Madonna, Whitney Houston, Paul McCartney, and more. Yoko's destiny for greatness and Black excellence was always instilled in the artist at a young age.

Influenced by MC's entrepreneurial manual, he opened up a business in his neighborhood, a barbershop that also houses a recording studio. One of Yoko's musical influences is Nipsey Hussle.
