

The Holy Bible Feminine Translation Version

*The Bible has been mistranslated for the last 500 years.
Translation of the Holy Spirit is now the same gender of the
Spirit of God in the Old Testament.*

GREAT FALLS, SC, UNITED STATES, November 20, 2020
/EINPresswire.com/ -- Since the Great Reformation in the
16th century, the [Holy Spirit](#) has been translated to be
sometimes a neutral gender as an "it," or "itself," and
sometimes as a masculine gender. The gender problem
is solved in this Bible by translating the Holy Spirit to the
same feminine gender of the Spirit of God in the Old
Testament.

The Holy Bible Feminine Translation Version is about God
named [YHWH](#) written 6,876 times in this Bible, and about
the Holy Spirit Mother in heaven of the Son of God, and
about the Cross.

Historically there have been no pictures of Scripture in
Bibles, even though a well known English language adage
states, "A picture is worth a thousand words." For this
reason, now there is a Bible Study section with a cipher-generated 77 page picture tour for
reading, deciphering and understanding Scripture. Validated with biblical numbers, JW's Cipher
bears witness of divine authorship of the Bible.

James Krustallos

This great emergence of evidence for one divine author
through both Old and New Testaments creates a unique
audience for this book. First are the 14 Tribes of Israel,
then atheists and agnostics, Christians and Messianic
Christians, and anyone else who has ever had trouble
understanding or believing the Bible.

James Krustallos, Christian author and prophet, wrote this
endorsement:

God said to Moses..."See that you make all things after the
pattern that was shown to you on the mountain"...Hebrew

8:5...God does "not" make anything without a "pattern"...Before God made you in your mother's womb, He had a "pattern" in His mind for you..."Before I (God) formed you in the womb I knew you"...Jeremiah 1:5 ...He had a "pattern" in His mind before you were even born - your eye color, your hair color and even the number of hairs on your head were formed after God's "pattern" for you..."the very hairs of your head are all numbered"...Luke 12:7...God also had a "pattern" when He fashioned the cross for the sacrifice of His Son...God is a God of "patterns"; they are a part of His signature for His creation...This book answers the question, what was God's hidden "pattern" for His Son's cross?...JW Farquhar meticulously uncovers, thus revealing God's "PATTERN-OF-THE-CROSS"...

This Bible follows 14 years of Scripture research by Bible scholar and Bible numbers expert JW Farquhar, who wrote the "Doctrine of the Cross." There are over 250 pictures of Scripture on the cross in this doctrine that begins with the Bible's first verse—the Foundation Cross. Through this Cross the Holy Bible Feminine Translation was born that terminates the Prophecy of the Serpent.
