

# Vietnam Experienced Garment Manufacturer Launches New Protective Face Mask: High-Tech Fabric, 3D Tailoring, Reusable 60x

*New High-Tech Globally Certified Face Mask Prevents Spread of Covid-19 While Maximizing Comfort Spur Quick International Adoption*

HO CHI MINH, VIETNAM, November 20, 2020 /EINPresswire.com/ -- In response to the continuing COVID-19 pandemic, Vietnamese manufacturer DONY announced the launch of a new premium reusable face mask that is setting a new standard for masks globally. The new DONY mask is the latest in a series of high-quality protective equipment launched by the manufacturer as part of its mission to do what it can to help stop the spread of the COVID-19 virus globally. DONY's entire protective line includes [disposable protective coveralls](#), [medical isolation gowns](#), and the new DONY mask.

DONY MASK - premium antibacterial cloth face mask (washable, reusable) with CE, FDA, TUV Reach, DGA Certification

"This year, we have found that many international buyers are seeking new suppliers based in nations outside of China to purchase many goods and products, including reusable cloth face mask and protective clothing.

At Dony Garment, we are proud to welcome international customers, especially those based in Japan, the Middle East, and the United States, to discover our professional line of products which are manufactured in our factory in Vietnam, especially our new products for COVID-19. We guarantee our products are of the highest quality, at an affordable cost, and easy to transport across the world." - Henry Pham, CEO of Dony Garment Company.

## The DONY Mask

The DONY mask is a [3-ply face mask that provides the highest level of COVID-19 protection](#) with a bacterial filtration efficiency of over 99%. Its extensive feature list includes:

- The highest level of respiratory droplet resistance
- Air resistance greater than requirements across Europe
- Individual sterilization prior to enclosure in medical-grade packaging
- Maximum comfort with elasticity over 2x higher than usual masks
- UV protection of up to 99.9%

Moreover, wearers of the DONY mask can rest easy thanks to rigorous testing globally including testing by the DGA

French Ministry of Armed Forces, compliance with US FDA standards, certification by Europe's TUV REACH, and a host of other safety certifications from around the world.

“

We guarantee our products are of the highest quality, at an affordable cost, and easy to transport across the world.”

*Henry Pham, CEO of Dony Garment*

Since its introduction, the DONY mask's stringent quality standards have garnered international attention with the mask being adopted quickly in 30 countries. DONY CEO Henry Pham commented that “At DONY, we are proud to welcome international customers. Our deep experience guarantees our products are of the highest quality, are affordable, and are easy to transport across the world.”

High-tech Construction

fabric layers.

The DONY mask is made of three high-tech functional

- An outer layer of 100% polyester smooth and breathable fabric
- A middle layer of non-woven fabric exclusively used in medical masks
- An inner layer made of soft and irritation-free nano fabric that is 99.9% antibacterial
- Blus, 3D tailoring and facial structure analysis for a universally perfect fit!

Purchases of DONY masks also help to give back with over 5% of revenue from DONY masks

The advertisement for the DONY MASK features a central image of a woman wearing a black face mask. Surrounding her are several circular callouts and text boxes highlighting the mask's features and certifications. At the top left, 'Colors Trends' shows six different colored masks. Below that, two circular callouts show 'Parachute Fabric' and 'Bird's eye pique Fabric'. The 'Outer layer' is described as 'Water resistant, splash resistant 100% polyester'. The 'Middle layer' is 'SMS Filter layer 100% polypropylene'. The 'Antibacterial layer' is '99,9% Antimicrobial Nano Fabric'. A circular callout shows the mask being held in a hand, labeled 'Ready to use'. Another circular callout shows the mask with a flexible strip for the nose, labeled 'Adjustable Flexible strip for nose & No adjustable Flexible strip for nose'. At the top right, there are logos for 'MADE IN VIETNAM', 'CE FDA', and 'DONY EVER GROWING'. Below these, a circular callout shows the elastic strap, labeled 'Elastic strap, soft, extremely comfortable'. Another circular callout shows a smiling sun, labeled 'UV Protection UPF 50+'. At the bottom, the text reads: 'DONY MASK - premium Covid antibacterial cloth face mask (washable, reusable) with CE, FDA, TUV Reach, DGA Certification'.
