The Advocate says, "The number of Navy Veterans who get lung cancer each year in part because of their asbestos exposure decades ago is probably north of 10,000 people. People like this almost never get compensated-even though they should. The \$30 billion dollar-asbestos trust funds were set up for them too. If you husband or dad is a Navy Veteran and he has recently diagnosed lung cancer and you are certain he had constant exposure to asbestos in the navy-please call the lawyers at Karst von Oiste anytime at 800-714-0303. This is worth exploring if the person we have described is your loved one."
