BOSTON, MA, USA, November 30, 2020

/EINPresswire.com/ -- Crown Uniform and Linen, New England's best-in-class commercial laundry service at

<https://crownuniform.com/> serving

Massachusetts, Rhode Island,

Connecticut, New Hampshire, and now

Maine, is proud to announce an update to its information page on commercial mat services. As winter begins, Crown

urges businesses in cities like Boston, Worcester, or Springfield Massachusetts to consider a commercial mat service for both branding and safety concerns.

"High quality mats greet customers with a professional brand image," explained Plato Spilios, Co-President at Crown. "But, they also decrease the likelihood of slips and falls. As winter begins, having a professional mat service is key to encouraging safety."

The newly updated page on commercial mat services can be found at <https://crownuniform.com/mats-mops-and-towels/>. The page explains the benefits of having an

outsourced mat service to replace mats on a regular schedule. These benefits include presenting customers with a professional brand image from the moment they enter a business, and decreasing the likelihood of slips and falls.

While no mat can guarantee against slip or fall accidents, they're one way for businesses to

improve the customer experience. Crown urges interested businesses to contact the company for a consultation. Indeed, Crown's helpful representatives can assess a business's total needs, including linens, [uniforms](#), towels, and — of course — mats.

## IMPROVING THE CUSTOMER EXPERIENCE ONE STEP AT A TIME

Another New England winter is just around the corner. From Boston, Massachusetts to Providence, Rhode Island, customer-facing businesses are sprucing up for the holidays — and the winter season. Two goals are paramount: first, making sure the dirt and grime of winter don't tarnish the brand experience, and second, reducing the likelihood of customer slips and falls. By improving its commercial mat service page, Crown Uniform and Linen helps busy business owners "winterize" their businesses one step at a time.
