

British '60s Psychedelic Legends Nirvana's 'Songlife' The Vinyl Box Set 1967-1972 To Be Released by Madfish Music

First time appearance of all 6 Nirvana albums together in one deluxe vinyl box set including the never before released 1972 LP 'Secrets'

ASHEVILLE, NC, USA, November 22, 2020 /EINPresswire.com/ -- On February 26th 2021, Madfish Music will release Nirvana 'Songlife' 1967-72, a 6 LP vinyl Deluxe Box Set housing all 5 of the band's pioneering studio albums – 'The Story Of Simon Simopath', 'All Of Us', 'Dedicated To Markos III aka Black Flower', 'Local Anaesthetic', 'Songs Of Love And Praise' - alongside the never before released 1972 LP 'Secrets'. Nirvana were essentially the duo of Irishman Patrick Campbell-Lyons and Greek Alex Spyropoulos – who, following a chance meeting in London during the summer of 1966, took a long, strange trip together.

Nirvana - Songlife 1967-72

It's the first time the band's recorded output has ever been collated together on one release and is an engrossing body of work to explore. These albums sit comfortably with some of the other great works of the time – the Zombies, The Kinks and the Pretty Things included. And whilst Nirvana are most famous for their British psychedelic classic 'Rainbow Chaser', as the music contained here displays, there was so much more to them than just that celebrated single, for they reached far and wide into the musical strato-sphere with a technicolour vision.

Four of the original albums have been remastered from their original ¼ inch tapes and the box itself comes with a 52-page booklet featuring liner notes from renowned author Peter Doggett, interviews with Patrick & Alex from Nirvana, full discography, rare newspaper clippings,

A collection of Nirvana-related items is displayed on a white surface. The items include: a black Nirvana CD cover with a high-contrast photo of Krist Novoselic and Kurt Cobain; a Nirvana CD cover titled 'Songs About Love and Hate' with a blue bird illustration; a Nirvana CD cover titled 'Secrets' with a pink and green abstract design; a Nirvana CD cover titled 'All of Us' with a black and white photo of the band; an open book showing a black and white photo of the band and a page of text; a Nirvana poster titled 'Secrets' with a pink and green abstract design; a Nirvana poster titled 'All of Us' with a black and white photo of the band; and a Nirvana poster titled 'Songs About Love and Hate' with a blue bird illustration.
