

# Registration is now open for Pre-filled Syringes East Coast Virtual Conference 2021

*SMi Reports: Registration has opened for the 8th annual Pre-Filled Syringes conference taking place on 26th – 27th April 2021.*

LONDON, LONDON BRIDGE , UNITED KINGDOM, November 23, 2020 /EINPresswire.com/ -- SMi is proud to announce that the 8th annual [Pre-filled Syringes](#) conference will commence virtually on the 26th – 27th April 2021. The event will bring together industry experts to provide insight into regulations, new digital technology trends, human studies and innovative design and deliver systems in the pre-filled syringe industry.

A promotional banner for the 'Pre-Filled Syringes East Coast' virtual conference. The banner features a teal background with a blurred image of medical syringes. Text on the banner includes 'Virtual conference: Online access only' in blue, 'Pre-Filled Syringes East Coast' in large orange letters, '26th - 27th April 2021' in white, the SMi logo with the tagline 'ENHANCING BUSINESS AND PERFORMANCE', and a registration link 'Register at: www.pfsamericas.com' in white. Below the banner, the text 'Pre-filled Syringes East Coast 2021' is displayed in black.

Virtual conference: Online access only

**Pre-Filled Syringes East Coast**

26th - 27th April 2021

SMi  
ENHANCING BUSINESS AND PERFORMANCE

Register at: [www.pfsamericas.com](http://www.pfsamericas.com)

Pre-filled Syringes East Coast 2021

Registration is free for all pharma and Biotech companies, secure your place at [www.pfsamericas.com/einpr1](http://www.pfsamericas.com/einpr1)

Key reasons to attend the virtual conference:

- Explore industry updates and considerations for PFS platforms and integrated development
- Gain insights into the industry acceleration towards connectivity following the pandemic through case studies on connected devices and virtual studies
- Hear from leading regulatory experts on international guidance, EU MDR, bridging studies and convergence opportunities
- Delve into real world examples of advancing injectable device development and global health priorities for pre-filled syringes
- Virtual conference benefits include virtual exhibition booths packed with information, networking features to chat and share contact details with other attendees, and virtual meetings and networking socials

Visit the event website to learn more and download the brochure at [www.pfsamericas.com/einpr1](http://www.pfsamericas.com/einpr1)
