

Registration opens for SMi's Smart Water Systems 2021

SMi Reports: Registration now available for SMi's 10th Annual Smart Water Systems virtual conference.

LONDON, LONDON BRIDGE , UNITED KINGDOM, November 23, 2020 /EINPresswire.com/ -- SMi Group is proud to announce the 10th Annual [Smart Water Systems](#) Conference which will take place on 19th - 20th April 2021 online access only and will highlight the methods the water companies are using to ensure the goals and targets that have been set are reached and exceeded. Focussing on how new technologies, IOT and Artificial Intelligence can help to produce and analyse real-time data to ensure more efficient leakage detection and management, leading to better customer engagement and subsequently decreased customers water usage.

SMi Presents the 10th Annual Conference...
Smart Water Systems
19th - 20th April 2021
Virtual Conference: Online Access Only £499

The banner features a blue background with water splashes and several circular icons representing smart water technologies: a bar chart, a padlock, a faucet with a signal wave, a gear, a wrench, a cloud with an upload arrow, and a line graph. Below the icons is the website URL www.smart-water-systems.com and the text "Smart Water Systems 2021".

Register your place for only £499 at www.smart-water-systems.com/einpr1
