The Mile High Method was created by Denver Real Estate investor, Shaun Martin, of Watson Buys.

"I wanted to give home-owners every opportunity to sell their houses fast, and still get a great price. Selling a home has long been shrouded in mystery. Part of our goal is to let people see through the shroud and understand the process completely. The Mile High Method can be used if a person is selling:

1. With a Real Estate Agent
2. FSBO
- 3 to a cash home buyer.

"We developed The Mile High Method TM at Watson Buys" said Shaun M, for people to sell their homes more effectively regardless of how they choose to sell it.

The Mile High Method is all inclusive. "We feel real estate agents still have a great deal of value for people looking to sell. The Mile High Method creates a ground work that a seller can use as checks and balances to make sure their house is sold right." Shaun Martin of Watson Buys continued "We want all people to have the best information available to them when they are selling. We don't want anyone to be taken advantage of."

Wouldn't it be great to know EXACTLY how to sell your house?
Well guess what? The Mile High Method will teach you.

Watson Buys has created and now freely gives the Mile High Method to the people of Denver. Here's the kicker:

This Method will work in any community or state around the country.

"The common sense and simple practical tips work for everyone" said Shaun. The 4 steps or phases include:

Phase 1: Plan to sell your house.

Phase 2: Prepare your house for a fast sale.

Phase 3: Price your house to sell it fast and for the most amount of money.

Phase 4: Execute on the prior phases you have just completed.

It's so simple it might just be crazy! The truth is it actually works. This is what real estate investors do every time they list a property. Now you can too.

Watson Buys is a Denver based real estate investment group. If you need to sell your house fast in Denver they are cash home buyers that can close fast. Shaun credits part of his more recent success to using a [business coach](#).
