

Trey Warner Releases New EP for Upcoming Film, Meant For You

Meant For You Available Now on All Major Platforms

LOS ANGELES, CALIFORNIA, UNITED STATES, November 24, 2020 /EINPresswire.com/ -- Trey Warner created and releases a new EP, Meant For You, for his recent film, The Christmas Project Reunion. The 7-track EP follows Trey's last single titled, "Carry On".

Meant For You was heavily influenced by the movie, The Christmas Project Reunion, which is set in the late 80s to early 90s. It features rock melodies from that era blended with modern sounds to create unique, cinematic music.

Trey Warner is a proven songwriter with an undeniable sense of melody. His sound continues to evolve and represents a more refined, infectious pop-punk. Often through clever yet vulnerable lyrics, Warner manages to bend over-arching maxims to the will of his perceived shortcomings, making you want to laugh and root for him at the same time.

Music videos for singles on the EP, "Meant For You" and "We Found Love, Young Love".

Meant For You is available now on [all major platforms](#). Follow Trey Warner on [Instagram](#) or visit his [website](#) for more information.
