

IntelliBoard partners with Pukunui in Malaysia, bolstering its presence in Southeast Asia for Moodle™ LMS Users

IntelliBoard is now officially partnered with Pukunui, expanding its team to Malaysia that services Southeast Asia for Moodle™ LMS users.

MONROE, CONNECTICUT, UNITED STATES, December 7, 2020 /EINPresswire.com/ -- [IntelliBoard](#) is proud to announce its latest partnership with [Pukunui](#) in Malaysia. IntelliBoard is the leading LMS analytics plugin for a variety of LMSs and offers in-depth, easy-to-use, multi-function analytics for the [Moodle™](#) LMS (and many more). IntelliBoard helps Pukunui clients master their data with a click of a button: retention, engagement, compliance, and eLearning improvement become easy-to-view metrics that can be shared system-wide.

Anticipating the need for rich and accessible LMS data in the Southeast Asia region and beyond, Pukunui actively expands and extends access to thousands of Moodle™ LMS users

throughout Malaysia, the Southeast Pacific region. Recognizing the need to address reporting and analytics needs driven largely by the crisis and the move to fully online learning, Pukunui will assist their clients with the IntelliBoard plugin to begin accessing their rich data insights immediately.

"Pukunui provides LMS hosting services, support, training, consulting and site design for Moodle™ software along with BigBlueButton™ and Mahara™ integrations. We are the trusted Moodle™ experts in the Asia Pacific region and support hundreds of thousands of users through
