

Support Womxn Founders and their Startups with The Spread The Love Sheet

Small Businesses are struggling. Empower them by granting a Dream Intro wish.

NEW YORK, NY, USA, November 24, 2020 /EINPresswire.com/ -- [The Fourth Floor](#), today, launched the [Spread the Love Sheet](#).

The Spread the Love Sheet publicly collects dream introductions from womxn founders and encourages secret gifters to grant a founder's wish.

- Womxn founders are encouraged to list one Dream Intro along with contact information
- Secret gifters scan requests and add a comment when able to fulfill a wish
- Dream Intros currently include specific investors, celebrities, bloggers, CTOs, entrepreneurs, and scientists

Womxn founders have always been at a disadvantage when it comes to raising funds and scaling their businesses compared to their male counterparts. Now studies show that COVID-19 has exacerbated the problem, disproportionately affecting womxn owned businesses. These businesses need customers and marketing, but could most importantly benefit from the power of a network. A simple introduction empowers a womxn founder to hack through the bias and propel a startup to stardom.
