The group says, "We are warning a family of an individual with mesothelioma to steer clear of online 'freebies' offering kits, guides, booklets, calculators, five minute compensation tests-

because all these 'free' things are intended to do is identify people with mesothelioma-and then the sponsor lawyers hound them night and day. Rather than ordering anything 'free' on the Internet when it comes to mesothelioma compensation-please call attorney Erik Karst of Karst von Oiste at 800-714-0303. He is an amazing resource, and he knows what he is talking about." [www.karstvoniste.com/](http://www.karstvoniste.com/)
