

Now More Than Ever, Philippines Needs Us – YHSGR Cares

ROSEMEAD, CA, UNITED STATES OF AMERICA, November 27, 2020 /EINPresswire.com/ -- After typhoons Goni (Philippine name Rolly) and Vamco (local name Ulysses) smashed into the Philippines during the first week of November 2020, children and families were ravaged and devastated by the impact of violent winds and high tides. As a native of the Philippines and had the opportunity to migrate to the States for the past year, Donna felt the devastation caused by the typhoons in her home country. Donna have always been involved with paying it forward, to always make sure she gives back to her community because she has been blessed in so many ways. Torn by the images and videos of the effects of the typhoons, Donna made the decision to go back to her country this following week to provide aid and relief. She has been appointed as the point person for this endeavor.
