Pallavi Chhelavda Helps Couples Improve Their Relationship Via Vastu Shastra

ORLANDO, FLORIDA, UNITED STATES, November 27, 2020 /

EINPresswire.com/ -- According to statistics, almost 50% of marriages in the U.S. end in divorce. Couples often cite incompatibility to be the cause of their separation or divorce.

However, according to Vastu Shastra, incompatibility doesn't have anything to do with the reason why relationships fail. It's the lack of positive energy in homes that results in problems with relationships.

"Vastu isn't limited to interior. It affects a wide range of areas in one's life—marriage, success, family, money etc.

For couples, it's imperative that they look into the direction of their bed. According to Vastu, the bed's direction must be the south or the south-west side of the house. There are other things as well, like candles and flowers and where they can place them for creating feelings of passion, love, and happiness," commented [Pallavi Chhelavda](#), talking about how Vastu is more than just the science of architecture and how it can help couples improve their [relationship](#).
