

BiCupid: Bisexuals Don't Mind Partner Smoking On Their Dating Profile

In a recent data released, BiCupid announced that their survey revealed that partners don't mind smoking on their dating profile.

LOS ANGELES, CALIFORNIA, US, November 28, 2020 /EINPresswire.com/ -- BiCupid is one of the top online bisexual dating portals that enjoys tons of [success stories](#). It recently carried out a survey wherein they found that partners don't mind smoking on their dating profile.

Lawrence Zhang, the CEO of the site was quoted as saying, "BiCupid is one of the top bisexual dating portal and we are truly happy to know that more and more people are looking to explore online avenues for finding the right date. We try to carry out several surveys to find out dating preferences to help people seek partners easily."

A lot of partners are very particular about smoking and drinking habits and have the right preferences to choose. In such cases, the members at BiCupid listed that they don't mind their partner listing smoking on their dating profile.

So, all those who are open to dating either sex and will like to try bisexual dating should make it a point to explore the different members listed at BiCupid. The site has managed to make a good name for itself and there are tons of success stories to their name.

With the right dating profile, the chances of finding a match increases considerably. One of the top dating tip that the site has to offer is that one should try to put an attractive profile picture and at the same time, try to list as much factual and detailed information as possible.

Making it possible to connect with like-minded people in a safe and supportive environment for real, active relationships, BiCupid continues to make finding partners easy through its location-based app.
