

Juniper Knoll Publishing Releases First Book

31 Days To Love is a story that explores the meaning of romance and love. Twists and turns keep readers glued to the book until they finish.

TAMPA BAY, FLORIDA, UNITED STATES, November 30, 2020 /EINPresswire.com/ -- [Juniper Knoll Publishing](https://www.juniperknollpublishing.com/) (JKP) based in Clearwater, Florida is gearing up for its Grand Opening in April 2021. To establish production procedures, JKP will be publishing a limited number of titles in various genres and formats over the next four months.

The first title, now available on Amazon as paperback or Kindle, is [31 Days to Love](#), written by Juniper Knoll Founder Don Dewsnap. It is a thoughtful, intriguing, riveting romance that explores what "romance" really is.

The main characters' questions become your questions, questions about love and romance you also want to answer. And you will, in your own way, as they do in theirs. Both you and they end up richer for the understanding.

31 Days to Love is that rare kind of book that keeps readers glued to the book far too late into the night until they finish.

“

I was very pleased with this from the beginning. In fact I had a hard time putting it down last night!”
