

MSP GURU Announces Blackwater Digital Ltd. as its First Global IT Advisory Partner

Real People. Real Feelings. Real Innovation.

LONDON, UNITED KINGDOM, January 12, 2021 /EINPresswire.com/ -- [MSP GURU](https://www.msp-guru.com/), a global leader in managed service provider consulting services for the non-employee workforce, today announced [Blackwater Digital Ltd](https://www.blackwaterdigital.com/) as their first Global IT Advisor Partner. The partnership supports the MSP GURU' global network of clients across multiple industry sectors.

Blackwater Digital Ltd has a proven track record of building successful multi-disciplinary teams with 'hands-on' leadership across large scale complex programmes internationally. A key to their success is the ability to foster healthy relationships across stakeholder and business units, creating engaging communication strategies to facilitate project buy-in.

"We listened when our clients asked for IT leadership that is balanced and adaptable to solving global complexities. We are honoured that Blackwater Digital's Andrew Borowski has joined our team of the world's best experts – our Gurus," said [David Ballew](https://www.msp-guru.com/), founder of MSP GURU.

Andrew Borowski, president of Blackwater Digital Ltd, commented, "We are excited to join such an esteemed group of professional industry leaders. Our mutual values align us to deliver on client success and valued solutions well into the future."
