

SHINING's Compact Terminal Block, Installation Made-Easy For All Applications

NEW TAIPEI CITY, TAIWAN, November 30, 2020 /EINPresswire.com/ -- SHINING's Compact [Terminal Block](#), Installation Made-Easy For All Applications

SHINING E&E Industrial Co., Ltd. leads the way in professional terminal block, [fuse holder](#), fuse block, and solid state relay manufacturing. The company will be showcasing its new product, Fixed Type Barrier [Terminal Strip](#), a SHINING TB-3XXXXCP Series product that significantly shortens the time for installation at various events in 2021.

The breakthrough strip all-purpose protection cover design can be utilized on both commercial and industrial appliances. It has significantly improved the way customers fasten the screws. SHINING is dedicated to delivering not only general model type but diverse customized designed products that are too UL/CUL certified and CE/RoHS compliant.

Competitive Advantage:

- Panel Mounted Terminal blocks with diverse applications
- Open-hole protective cover for easier screw installations
- High density circuitry capable to conserve panel space
- UL requirements approved
