Privacy Ref Certification Study Groups

Certification Study Groups™ supplement Privacy Ref's offerings as an Official Training Partner of the International Association of Privacy Professionals (IAPP). As certification candidates prepare

“

There are many ways to prepare for taking a certification exam from the IAPP, but no matter how you study, there always seem to be some questions remaining, and we are here to help.”

for their examinations, Certification Study Groups™ provide a facilitated environment to gain confidence in their privacy knowledge through live on-line discussions with other candidates in a session moderated by a recognized Fellow of Information Privacy.

These affordable certification study groups, priced at only \$35.00 per session, provide an excellent means for certification candidates to engage in active, focused discussions led by an experienced privacy professional, and get answers to their questions before taking the exam.

Certification Study Groups™ are available to help candidates preparing for the CIPP, CIPM and

soon the CIPT exam. These study groups complement Privacy Ref's training but are not affiliated with the IAPP. For more information on Privacy training, visit Privacy Ref's website at <https://privacyref.com/>
