

# InfinCE Featured On Award-winning TV Show NewsWatch

*NewsWatch Segment Showcased InfinCE as a New Way for Businesses to Run IT*

WHITE PLAINS, NEW YORK, USA, December 1, 2020 /EINPresswire.com/ -- [InfinCE](#), the all-in-one enterprise cloud platform, was featured in the award-winning television show NewsWatch. The segment was aired nationwide on November 30th at 7 AM EST on the AMC Network. NewsWatch showcased InfinCE's capabilities as a unified cloud offering a rich base of features and collaboration options to meet the varied IT needs of businesses today.

As a unified cloud, InfinCE packs in a suite of advanced collaboration and [remote working tools](#)

“

We are pleased that NewsWatch has provided its wide audience with insights about the power of InfinCE as a game-changing and cost-effective cloud platform for today's business.”

*Varghese Samuel, Founder & CEO at Fingent*

such as customizable dashboards, video meetings, live chat, document creation apps, and more to efficiently collaborate and work from anywhere. Moreover, the centralized administration capabilities make it easier for business owners to manage their entire IT assets and data including servers, storage, and employees from a single location.

InfinCE is a new way for businesses to run IT. It encompasses everything needed for new business owners to kickstart their business at an unbeatable price. The dedicated infrastructure, on the other hand, allows quick

set up of all IT from email to website. Businesses can also personalize their workspaces and reflect their brand identity in all touchpoints including the mobile app, meeting rooms, web, and email to enable a consistent brand experience.

InfinCE is used and recommended by numerous businesses, big and small owing to its robust unified cloud, advanced collaboration options, and affordable pricing. The fast setup options,

added customization abilities, and flexible scaling options make InfinCE the default choice compared to most other business cloud platforms.
