

SANTA CLAUS IS STILL COMING TO TOWN – SOUTH FLORIDA CELEBRATES THE HOLIDAYS AT SANTA’S DRIVE-THRU VILLAGE THIS DECEMBER

Go Behind-The-Scenes for a Whimsical Look into Santa’s Magical Operations at the Winter Wonderland Drive-Thru Experience

MIRAMAR, FLORIDA, USA, December 1, 2020 /EINPresswire.com/ -- MIRAMAR Santa Claus, Mrs. Claus, the Elves and many more from the North Pole are making the trek to South Florida this December. The magic of Santa’s Village comes to life in an adventure the whole family can enjoy! Hop in your car and head to Santa’s Drive-Thru Village, a very merry drive-thru Christmas attraction in South Florida located at Miramar Regional Park (16801 Miramar Parkway) in Miramar, FL from Thursday, December 3 through Wednesday, December 23. Christmas pajamas, ugly sweaters and all the treats that make this time of year so special are invited to tag along.

During the most wonderful time of the year, and for the first time ever, get a backstage look at how Christmas comes together while enjoying social distancing from your car. A brilliant light show will illuminate the elves as they are busy at work creating a festive holiday with snow all around. Best of all, Santa Claus himself will be there to greet one and all! Naughty or nice, everyone is invited to bring their letters to Santa for a special drop-off.

Live 305 Entertainment, run by Cirque du Soleil veteran, Francisco Santos, dreamed up and gave life to the heartwarming experience following the great success seen from his recent “The Horrorland” drive-thru entertainment. Santos and his daughter, Luna Santos, worked together on the design of the innovative holiday tradition. “The cheerful celebration is about community, giving and creating memories, some of the things that make Christmas so special,” Santos said.

Special villages that will awe and inspire with polar bears, angels, reindeer, carol singers and more include:

- The Singing Carolers Town
- Winter Wonderland Paradise
- Mrs. Claus’ Village and the North Pole Village
- Merry & Bright Lights
- The Elves’ Toy Factory
- Santa’s Magical Cabin

“The joy of visiting Santa is a memory everyone holds dear and we’re delighted to be able to bring this excitement to kids and families in a new format due to current safety issues,” says Francisco Santos, CEO and Director of Live305 Entertainment. “The unique experience will take visitors on a car trip down a runway of blinking lights, past snowflakes and sleigh bells before visiting the Elf’s Toy Factory and finally arriving at Santa’s Cabin for the yuletide finale.”

Santa’s Drive-Thru Village, located at Miramar Regional Park (16801 Miramar Parkway) in Miramar, FL takes place Thursday, December 3 through Wednesday, December 23.
