

# Konstant Infosolutions Ranked 1st Amongst Top Mobile App Development Companies 2020 by Findappguru

*Konstant claims the best one with no room for slip-ups!*

PALO ALTO, CALIFORNIA, UNITED STATES, December 2, 2020

/EINPresswire.com/ -- Coronavirus continues taking a toll on GDP until now, but India's financial year 21 GDP has already started seeing upward revisions on faster Q2 rebound. It is a V-shaped recovery after the steepest slump that began late last year and peaked in Q1 this year. This creates an upside to our current GDP. Posting a smart recovery, Information Technology Industry is soon recovering from technical recession after three successive quarters of contraction. Posting a small positive growth, Findappguru.com posted a list of top

mobile app development companies to ease off the competition for open vacancies, narrowing the opportunities gap between those with and without digital skills. Konstant ranked first among a list of 15 top mobile app development companies. Find more details here:

Mr. Vipin Jain, CEO - Konstant Infosolutions, claims that "COVID-19 pandemic has made us future resilient. Our strategies were in place, if not completely, we streamlined our efforts to gain momentum in the current scenario. It's a different feeling altogether this time as it feels like the start of the development stage with available technologies in line with upcoming technologies for FY21. We still win against fantastic development companies. The euphoria is different. Our develops' reign!"
