

MediaOps Announces the Finalists for the DevOps Dozen² 2020 Awards

MediaOps announces the names of the top leaders, companies and tools in the DevOps space that qualified to finals of DevOps Dozen² Awards nomination process.

BOCA RATON, FLORIDA, UNITED STATES, December 2, 2020 /EINPresswire.com/ -- MediaOps, the place to tell your story in the most powerful way, has published the list of finalists for the 24 categories of the sixth annual DevOps Dozen Awards. The DevOps Dozen Awards highlight the most innovative and outstanding individuals and companies who have demonstrated their leadership and commitment to the DevOps community.

This year's awards include twice the number of categories than in previous years, divided into two main sections: DevOps Dozen Tools and Services Awards and DevOps Dozen Community Awards.

The community leaders, companies, tools and services that advanced to the finals are those with the highest number of votes in each category. Those who made it to the final phase have demonstrated exceptional performance and service to the community during the past year.

"Our finalists are definitely the most influential leaders in DevOps," said Alan Shimel, CEO of MediaOps. "Congratulations to each and every one of the finalists. It is quite an accomplishment to be part of such an impressive list."
