Olive Oil and Balsamic Vinegars

ARLINGTON, VIRGINIA, USA, December 10, 2020 /EINPresswire.com/ -- Olive oil and balsamic vinegars serve as the core of many fine dishes. [Authentic Super Foods](#) provides the finest Olive oil and Traditional Balsamic vinegars from their olive orchard and factory in Lakonia, Greece. Try perking up a salad, or an antipasto. It is also used sparingly to enhance steaks, eggs, or grilled fish, as well as on fresh fruit such as strawberries and pears. Tradizionale vinegar may be sipped from a tiny glass to conclude a meal.

Contemporary chefs use Balsamic Vinegar sparingly in simple dishes where the balsamic vinegar's complex tastes are highlighted, using it to enhance dishes like scallops or shrimp, or on simple pastas and risottos.

Fundamentally, balsamic vinegar is produced from Barrel aged grapes--and Authentic Super Foods provides the best--producing olive oil from their family farm in Southern Greece for more than 200 years.
