Golo Shoes is steeped in history made infamous for the Go-Go boot in the 1960's. The reinvented brand is designed by husband and wife team, Lynne and Dennis Comeau, who have been making shoes side by side for over 30 years. The Comeaus founded Bernardo Shoes, popularized for their Gladiator Sandals, which they sold in 2012. Subsequently they formed Teshoeque LLC encompassing three brands: Butter Shoes, a contemporary line out of Italy, Something Bleu, a bridal and special occasion line, and their newest venture Golo, which combines cutting edge comfort technology with on trend styles.

Recently, Golo was in the limelight for their controversial and censored FALL2020 campaign featuring a transsexual supermodel. The Golo brand is mission driven and is contributing 10% of their profits through 2020 to LGBT community causes and proactive legislation. Teshoeque LLC is a woman and LGBTQ owned small business operated out of Santa Fe, NM.
