

# Mooner App Pte Ltd to Launch Service Booking Mobile App

*Mooner App Singapore Set to Rival Big Boys Grab and Gojek*

SINGAPORE , SINGAPORE , December 3, 2020 /EINPresswire.com/ -- Mooner App Pte Ltd is developing a technology forward mobile application to rival big players who dominate Singapore's gig economy. The Mooner App which will be available for Apple and Android devices will go head to head for market dominance in Singapore.

With its unique revenue sharing model, Mooner sets itself apart from their competition. Mooner rewards its users and service providers with built in incentives and perpetual passive earnings. From booking Pest Control to A Nanny or even a Chef, the Mooner Application sets to solve growing unemployment issues along with Singapore's demand for "right now" services.
