GoodFirms is a leading and globally renowned B2B research, ratings, and reviews platform. It aims to build a bridge for service seekers by assessing each firm and indexing them in the list of top companies. Here the analyst team of GoodFirms conducts profound research to find the most excellent service providers from varied industries.

The research process of GoodFirms has three key factors that are Quality, Reliability, and Ability. It is subdivided into several metrics such as determining the past and present performance of each firm, years of experience in the expertise area, online market presence, and reviews from clients. Focusing on these overall points, every agency is provided with a set of marks that is out of a total of 60.

Thus considering these scores, all the firms are indexed in the catalog of top development companies, best software, and other companies from various sectors of industries. Hence the service seekers can go through a set of brilliant companies and select the best one as per their

project needs. Lately, GoodFirms has also disclosed the list of [Top OpenCart Hosting Companies](#) indexed after evaluating through several qualitative and quantitative metrics.

List of Top OpenCart Hosting Providers at GoodFirms:
