Brilliant and breathtaking.... But we still have 4 months or years to go. I am exhausted and afraid in the "mean" time for all of the us(a) that still lays before us.

Djt radiates inadvertent psychological projection onto other people. He discloses his own inadequacies again and again. Shockingly they expose the real djt as a reflection of himself and not those whom he is attacking. His inner truth does come out in his harrangues.

Nice article on Mr. Quinn. Wonder if we're related but my Grandfather died when my Father was 10 about 1928, so I'll never know. My went back to work at AT&T earn extra money working nights on roller skates. I met a man at her wake in 1980, who knew my Grandfather. Nothing more than that.

You have got to explain working nights at AT&T on roller skates. That sounds too good to not hear more. Reply 3

Much of this history appears in my books "organized labor" (Author House 2007) and a long Irish poem in Newark, Italy and me (2019 Lulu). Thanks for your interest and writing to me.

Declan Costello, Balbriggan Co Dublin
Ireland
Ken you and me both, I'm imagining it though.

Costello

If you both buy a book I will supply more details.

After my Grandmother retired she also got free phone service in NYC from Ma Bell too. BTW, I have Italian cousins named Costello too.

Great article. There may be ecological hope for us yet. New York always leads the way. NJ just paved over most of the Meadowlands unfortunately.
