"Shows are being very creative and helpful in times like this" said Tom Dumke. In order to support artists during the holiday season, the Central Pennsylvania Festival of the

Arts produced this four week long virtual event called A December to Remember. The event will feature artists, an online gallery exhibition, live and on-demand performances, family craft projects, and more. This event is being held in place of State College's First Night celebration which is on hiatus due to the COVID-19 pandemic. First Night has been celebrated in State College for 25 years and has a large and loyal audience.

Tom handcrafts solid wood furniture that is Shaker inspired and is traditional with a modern flair. The clean line of the Shaker form inspires the design, creating pieces sized proportionally for today's needs. The Shakers have had a profound influence on Tom's work: their clean

unadorned simplicity, functionalism and craftsmanship. He also is influenced with a deep respect for the furniture craftsmen of the 17th and 18th centuries. Their knowledge of form, balance, joinery and of wood movement is evident in the pieces of fine furniture that still exist today. Thomas William Furniture is based out of Southeastern Wisconsin, Milwaukee metropolitan area. For more information, please visit <https://www.thomaswilliamfurniture.com>
