Global Cannabidiol (CBD) Market – Segmentation Analysis

The global market for Cannabidiol (CBD) is broadly segmented by product type as – Hemp-derived and Marijuana-derived. According to the Hemp Business Journal, the CBD Oils from marijuana-based sources are expected to reach USD 1.6 billion i.e. around 80% of the total CBD market.

Marijuana-derived CBD products are extensively used globally for numerous medical purposes. Cannabis sativa is the source plant for extracting marijuana, that contains over 80 compounds of cannabinoids. The demand for Marijuana-derived CBD products is increasing as they contain high concentrations of THC in comparison to hemp-derived CBD products.

The Industrial Hemp Farming Act of 2015 excluded hemp from the Drug Enforcement Administration's controlled substances list, which effectively legalized hemp-derived CBDs. Many other countries around the world have similarly permitted the importation of hemp-based CBD products.

Global Cannabidiol (CBD) Market – Geographical Analysis

The global CBD market is segmented into North America, Europe, Asia Pacific, South America and ROW.

CBD oil products are highly preferred by the US consumers. Also, countries such as South American countries, including Uruguay, Peru, Chile, Colombia, Brazil, and Argentina have legalized the application of marijuana products for medical purposes. These factors are leading North America to be largest market of the global CBD market. Major market players of CBD oil production are present in North America. It is estimated that in 2020 industry sales of marijuana-derived CBD will total around USD 417 million.

Global Cannabidiol (CBD) Market – Competitive Analysis

The market is highly competitive with continuous product and technological developments. The players are also focusing on strategic collaborations and agreements to expand their geographic footprint and to intensify market competitiveness.

Some of the recent developments contributing to the growth of the global CBD market are:

- In Feb 2018, Marijuana Company of America (MCOA) launched its hempSMART Full Spectrum Pet Drops with specially formulated product containing naturally occurring CBD derived from hemp seed oil, full spectrum hemp extract, and fractionated coconut oil, along with a rich bacon flavor.

Key Takeaways

- North America is leading the global CBD market due to increasing demand for CBD products by consumers and large number of players are US-based.
- The overall market for CBD will be especially driven by high demand for CBD products because of its several health benefits.
- Marijuana-derived CBD have largest market segment due to rising preference by consumers because of their high concentrations of THC in comparison to hemp-derived CBD products.
