“

I want readers to enjoy the thrilling aspects of these stories, but also hope that they will walk away with a deeper appreciation of law enforcement officers, the true unsung heroes of this nation.”

*Lance J. LoRusso*

Crime Tales is a series of fictional stories based on the harsh realities faced by law enforcement officers in the performance of their duties and stories recounted to LoRusso by officers over the years. Among the breathtaking and gut-wrenching stories readers will encounter in Parallax: Crime Tales are - law enforcement officers coming face-to-face with a sociopath serial killer; others tracking down and apprehending a depraved child abductor; and other officers grieving over the death of one their own struck down far too early in the line of duty.

LoRusso, himself a former law enforcement officer before becoming an attorney, also draws on his past experiences to portray the skills and techniques officers use to solve crimes in both an accurate and engaging way. Told in an easy to read and gritty style, Parallax: Crime Tales has been compared to crime thrillers by Michael Connelly and James Patterson. The stories are narrated by Chris Brinkley, an award-winning voiceover artist.

“I am excited that Parallax: Crime Tales is now available on audiobook and able to reach an even larger audience,” said Lance LoRusso, author of Parallax: Crime Tales. “I want readers to enjoy the thrilling aspects of these stories, but also hope that they will walk away with a deeper appreciation of law enforcement officers, the true unsung heroes of this nation.”
