COLORADO SPRINGS, CO, UNITED STATES, December 8, 2020

/EINPresswire.com/ -- Cannabis industry leader in hemp lifestyle bags, [Dime Bags®](#), is excited to announce the re-release of their long-awaited Multi-Purpose Crossbody Bag. Fans of Dime Bags and many head shops across the country have been asking about the bag and will be impressed with the new and improved unisex crossbody offered in the brands' iconic static colors and updated style.

The Multi-Purpose Crossbody is a bag perfect for everyday use, available in five different colors, and comes in two different sizes, small and large. It is a lightly-padded, satchel-like bag, made out of Dime Bags' uniquely designed Hempster exterior. Hempster is a 70% hemp, 30% recycled polyester blend helping environmentally conscience customers choose a bag with stylish colors and flair.

Dime Bags prides itself on crafting bags that are durable, yet fashionable and functional, and the Multi-Purpose Crossbody is no exception. With four main compartments and Dime Bags' legendary secret pocket, this crossbody will be the perfect go-to bag for anyone and everyone. The revamped bag's longest compartment folds over and secures with magnets, giving this [shoulder bag](#) a unique, new feel and capability. Another new feature is blending a popular static color with Dime Bags' classic original Hempster color.
