CODSALL, SHROPSHIRE, UNITED KINGDOM, December 9, 2020 /EINPresswire.com/ -- SOUTH-STAFFS BASED COMPANY [APOLLO HOME HEALTHCARE](#), ACHIEVES 40th PLACE IN SPECIAL COVID-19 EDITION OF LEAGUE TABLE OF BRITAIN'S FASTEST-GROWING PRIVATE COMPANIES

Published annually, the Sunday Times Virgin Atlantic Fast Track 100 league table ranks Britain's private companies with the fastest-growing sales over their latest three years. Sixteen companies headquartered in the Midlands have won places in the table this year, including Codsall based complex care provider, Apollo Home Healthcare.

Established in 2014, Apollo Home Healthcare provides care at home for patients with complex care needs across the country. Since trading commenced in late 2014, annual sales have grown to £17.7m in the year ending December 2019, representing 3 three-year annual sales growth of 65%. This result has secured the company a ranking of 40th place on this prestigious list. The business has faced many challenges during the COVID-19 pandemic including sourcing PPE and staff having to isolate but has managed to support the discharge of many individuals to receive care in their homes.

Phil Burrows, Chief Executive, said "This is a fantastic achievement, during challenging times, by a dedicated team that give it everything. I wish to thank the entire team at Apollo Home Healthcare for their continued hard work, dedication and success in caring for everybody we look after."
