

# ZE PowerGroup Inc. Named a Global Leader in Cloud Computing

*Winner of the Private Cloud Category for the 2020 STRATUS AWARDS for Cloud Computing for the second year in a row.*

RICHMOND, BRITISH COLUMBIA, CANADA, December 10, 2020 /EINPresswire.com/ -- The Business Intelligence Group today announced that it has awarded [ZE PowerGroup Inc.](#) (ZE) a 2020 [Stratus Award](#) in their annual business award program. The organization sought to identify the companies, products, and people that are offering unique solutions that take advantage of cloud technologies. ZE's [ZE Cloud](#) won the award for Best Private Cloud Provider for the second year in a row.

The ZE Cloud offering is composed of Hosted and Managed Services and provides a turn-key data management solution. The ZE Cloud is considered a Private and Dedicated Cloud solution for organizations and industry sectors such as commodities, including energy, petrochemical, softs, metals, and their associated trading, risk

management, and supply chain operations. ZEMA is ideal for applications that require high volumes of data collection, analysis, transformation, reporting, and integration. It is a truly robust ETL offering.

“

ZE is at the forefront of the cloud helping to drive practical innovations in the cloud”

*Maria Jimenez, Chief Nominations Officer of Business Intelligence Group*

“ZE is very pleased to have our ZE Cloud recognized as a leader in private cloud and innovative cloud computing. Being acknowledged by this global Business Intelligence awards program for the second time underscores all the hard work, innovation, and dedication that goes into

building a state-of-the-art cloud solution.” Said Nader El-Ramly, Chief Product Officer.
