

5th Annual NYC Short Documentary Film Festival Announces 2020 Winners

New York, NY - The NYC Short Documentary Film Festival is proud to present the winners of this year's film festival.

NEW YORK CITY, NY, US, December 10, 2020 /EINPresswire.com/ -- The NYC Short Documentary Film Festival is proud to present the winners of this year's film festival. The 6th annual festival took place live at the Producers Club Theaters in Midtown, New York City on November 20th. It was composed of 28 short films. The winners of this year's festival were selected by a panel of judges who are actively immersed in the film industry among other creative media outlets.

"Documentary film is a genre that is based in truth and told with style. Every second of every day, an infinite multitude of stories are playing out in every nook and cranny of the world - the goal of documentary film is take this sprawling mass of real life and weave it into cinematic art.

The purposes of documentary are multifold - to educate, to entertain, to bring attention to important issues or to simply highlight the understated wonders of everyday life."

Congratulations to the winner of the 2020 NYC Short Documentary Film Festival!
