

Dony Mask is certified by DGA France proving NCOVID antibacterial to 99% - Quality sterilized & specialized face mask

HO CHI MINH, VIETNAM, December 11, 2020 /EINPresswire.com/ -- People are living under the negative condition of the environment and diseases such as Covid-19 these days. It leads that face masks are now highly recommended by health experts. Experts also suggest that people should wear a three-layer mask with features such as waterproof and antibacterial to protect their health as much as possible from bacteria or viruses in the contaminated air.

As an experienced and prestigious face mask supplier, Dony Garment Company believes that our product - Dony Mask will meet all of the requirements from consumers and health organizations in the world about quality in a face mask. Dony Mask is certified by [DGA France](#) proving NCOVID antibacterial to 99%. Why does Dony Mask become the best choice for consumers? Let's find out in the following article.

What is the DGA certification?

DGA which stands for the Direction générale de l'armement (English: Directorate General of Armaments), is the French Government Defence procurement and technology agency responsible for project management, development, and purchase of weapon systems for the French military.

The DGA undertakes the testing and assessment of equipment and military technologies. Test centers are distributed across France to carry out studies in advanced technologies: DGA Hydrodynamics, DGA Aero-engine Testing, DGA CBRN Defence, DGA Information superiority, DGA Land Systems, DGA Missiles Testing, DGA Naval Systems, DGA Flight Testing, DGA

The advertisement for Dony Mask features a central image of a woman wearing a black face mask. Surrounding this central image are several circular icons and text blocks highlighting the mask's features and certifications. At the top left, 'Colors Trends' shows six different colored masks. Below this, two circular icons show 'Parachute Fabric' and 'Bird's eye pique Fabric'. To the right of these, the 'DONY EVER GROWING' logo is displayed. Further right, a circular icon shows the 'Elastic strap, soft, extremely comfortable' feature. Below the central image, a circular icon shows the 'Middle layer: SMS Filter layer 100% polypropylene'. To the right of this, a circular icon shows the 'Antibacterial layer: 99,9% Antimicrobial Nano Fabric'. Further right, a circular icon shows the 'Ready to use' feature. At the bottom right, a circular icon shows the 'Adjustable Flexible strip for nose & No adjustable Flexible strip for nose' feature. In the top right corner, there are two circular icons: one with a star and the text 'MADE IN VIETNAM', and another with the 'CE FDA' certification logo. Below the 'CE FDA' logo, a circular icon shows a sun with a face and the text 'UV Protection UPF 50+'. At the bottom, a text block states: 'Dony Garment offer free samples, trial orders, bulk wholesale, and promise to deliver 100% sterilized masks with complete ownership of the quality'.

Aeronautical Systems, DGA
Engineering & Integration.

These services contribute to the validation of industrial equipment, but also to the proving of military systems for the program directorates. Since 2004 DGA, has been organized into two sub directorates for the coordination of projects dealing respectively with the inter-systems technical approach (Service of architecture inter-systems) and with technological developments (responsible for domains).

The Dony Company is the best antibacterial face mask supplier (washable, reusable) for Covid from Vietnam

Dony Mask is certified by DGA France.

Dony has been certified by the Directorate General of Armaments (DGA) from France.

“

The time is right for a better kind of face mask. All Dony Mask products are sterilized by E.O. gas before reaching consumers, to ensure that the mask products are free from virus and bacteria.”

*Henry Pham - CEO of Dony
Garment Company*

Specifically, Dony Mask was issued by the French Ministry of Defense with DGA certification.

This certificate proves that [Dony Mask respirator against NCovid virus](#) up to 99% and after 30 washings is 96% resistant.

Owning a lot of these outstanding and necessary features, Dony masks are even can be reusable multiple times. Consumers can wash the mask with water and soap only and the mask is ensured to antibacterial, droplets, and UV resistant after 30 washes with 96% resistant to virus and

other bacterial.

Not only certified by DGA...

DONY has achieved prominent certification on quality and safety from Vietnam, French, Germany, the United States, and other countries from the very beginning. Its masks have met standards for protecting public health from the US Food and Drug Administration (FDA), received CE certification from French Cert, etc.

Specifically, FDA registration is the basic requirement for domestic and foreign establishments that manufacture or market food, drug, API, or medical device in the USA. For the FDA Certification for products exported to the US. market, this is extended to 50 states and other territories of the U.S to protect the public health when it comes to safety, efficacy, as well as

security of products.

Dony cloth face mask gained C.E.Certification (Conformité Européenne). CE marking is a certification mark that indicates conformity with health, safety, and environmental protection standards for products sold within the European Economic Area (EEA), including the face masks.

Also, Dony was certified by ISO 9001:2015 which is the most frequent international safety management system. Dony 3-Ply Antibacterial Mask focuses on customers' demands and satisfaction.

Dony Garment Company

The cloth face mask from Dony was recognized by Global Intertek as about 100% waterproof (this is a maximum level), UV resistance at 99.95% (Equivalent to high-class sun cream), more than 99.9% antibacterial even after 60 washes.

Most importantly, Dony Masks have been approved by the REACH Certificate of Compliance from Germany, which is the most vital document as it guarantees that Dony's products are compliant with the EU REACH regulation (EC).

Dony Garment's efforts have been widely recognized globally. Nicolas Jo, Founder, and CEO of JJFT, a fashion, and the textile group said "There are many mask manufacturers in Vietnam but not all the factories follow international standards. The reason why we chose Dony mask is that they fulfill Japan's market needs and their manufacturing system meets our standard."
