future. Now is the time to plan and train for something to be ready when civilization and the economy eventually recover. One profession that provides money, excitement, travel, and connection is professional modeling.

Right now, the industry is truly meant for anyone.

Regardless of your individual look, economic background, or geographic location, there is a place in the industry for you. If you don't think you have the typical model look, there are multiple divisions and rich diversity currently being displayed. An example could be if you are a curvier female, many agencies represent curve models. If you have a more health and fitness background or are an athlete looking for some fresh adventure, many agencies have fitness divisions. This career is truly open to all and is truly there for the taking.

Have you ever thought of becoming a professional model, but not sure how to go about it? You can learn how with a new online course at [learntomodel.com](https://www.learntomodel.com) created by Jeremy Cook who reflects on his and other's experiences within the industry. Topics such as pay schedules, how to approach an agency, the difference between an agent and agency, navigating large cities, networking, social media, and much more.

This is a great jumpstart course that you can watch and take notes in just a couple of hours, and keep active to refer back to as needed. There are also training options that will have you on your way to an exciting career. Use this time to learn a new career and be ready for a fulfilling life.
