"We know the Internet is full of offers for 'free' generic booklets, calculators, guides, kits, three minute-compensation tests and other nonsense. Erik Karst and his colleagues at the law firm of Karst von Oiste have been assisting people with mesothelioma for decades and they are responsible for over a billion dollars in compensation for people with this rare cancer caused by asbestos exposure. One thing attorney Erik Karst of Karst vo Oiste excels at is explaining mesothelioma compensation to a person with this illness or their family. The call is no obligation-and we are certain Erik Karst will answer your questions as well as suggest what your compensation claim might be worth. For direct access to attorney Erik

Karst please call 800-714-0303 anytime." [www.karstvoniste.com/](http://www.karstvoniste.com/)

Aside from their focus on the best possible compensation the Center is also extremely passionate about the best possible medical treatments. For the best possible mesothelioma treatment options in Ohio the Ohio Mesothelioma Victims Center strongly recommends the following three health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital.
