JNPT Cluster on account of its proximity to the port has emerged as a suitable warehouse hub for EXIM cargo that is mainly inbound: Ken Research

INDIA, December 16, 2020 /EINPresswire.com/ -- Strategic Location: Located closer to the financial capital of India, JNPT has an advantage of having access to a very well connected highway network. The cluster has proximity to the Mumbai-Goa highway and the Mumbai-Pune highway, largely handling cargo traffic for Maharashtra, Madhya Pradesh, Gujarat, Karnataka, as well as most of North India.

Rising Demand of Cold Storage: Increase in exports and imports of agricultural and pharmaceutical products along with government support for investment in cold chain infrastructure, the demand for cold storages from other end user industries like meat and seafood, pharma, and frozen food and QSR is expected to grow in the future, as well as from fresh food which was previously not stored in cold storages.
