WATKINSVILLE, GEORGIA, USA,  
December 16, 2020 /

EINPresswire.com/ -- Stadion Money Management is proud to be ranked as one of the Best Places to Work in Money Management for 2020. The designation, awarded by institutional investment publication Pensions & Investments, is granted based on the results of double-blind research via company survey. Stadion also received this award in 2019.

“

Our employees are empowered to build state of the art solutions. Our innovative culture is complimented by our familial one, which is a powerful combination.”

*Duane Bernt, Chief Financial Officer and Human Resource Leader*

Pensions & Investments partnered with Best Companies Group, an independent research firm specializing in identifying great places to work, to conduct a two-part survey process of employers and their employees.

Notable among Stadion employee comments was feedback on the company’s family-like atmosphere, the firm’s 2020 transition to working from home, emphasis on work-life balance, and a supportive environment that encourages both personal and professional growth. Stadion employees participated in this survey at a rate of 14% over the reported response average.

“We focus on the needs of each individual in a retirement plan, through the delivery of personalized services,” remarked Jud Doherty, President and Chief Executive Officer. “Our successful delivery of these services depends on the creative and dynamic group of people who work here. It’s gratifying that our employees are excited to be part of our company’s focus on helping people retire with dignity.”

Duane Bernt, Chief Financial Officer and Human Resource Leader, said of the results, "Our employees are empowered to build state of the art solutions. Our innovative culture is complimented by our familial one, which is a powerful combination."
