

The Pearl at Marina Shores Promotes Luxury Living with New SemaConnect EV Charging Stations

Virginia Beach's Newest Waterfront Community Adds Another High-Tech Amenity for Residents

VIRGINIA BEACH, VA., USA, December 16, 2020 /EINPresswire.com/ --

Signature Management Corporation's newest Virginia Beach apartment community, [The Pearl at Marina Shores](#), has added another luxury amenity for residents: SemaConnect [electric vehicle charging stations](#). Mounted on two dual pedestals with cable management systems, four new SemaConnect Series 6 charging stations have been installed in the community parking lot for residents.

The new SemaConnect EV charging stations are now open and ready to charge residents of The Pearl at Marina Shores.

First opened earlier this year, The Pearl at Marina Shores is a new apartment community located at the Lynnhaven Inlet and Marina Shores Marina. With coastal architecture, proximity to the

Chesapeake Bay, nearby award-winning restaurants, private patios with waterfront views, a full-service fitness studio, and now SemaConnect charging stations, The Pearl is the perfect new home for apartment residents looking for refined style in Virginia Beach.

“EV drivers want to charge at home, and they’re looking for apartments with this essential amenity. The Pearl at Marina Shores is setting a new standard for communities in Virginia Beach.”

“Our team knew from the start that we wanted to add electric car charging stations at The Pearl at Marina Shores,” said Jenny Humphries, property manager at The Pearl. “We just installed our new SemaConnect stations, and we’ve already heard from residents who were waiting for a reliable place to charge their plug-in hybrid and fully electric vehicles. We can’t wait to welcome more EV drivers

to The Pearl at Marina Shores."

"Signature Management outdid themselves with their beautiful new waterfront community, The Pearl at Marina Shores," said Joseph Inglisa, sales manager at SemaConnect. "EV drivers want to charge at home, and they're looking for apartments with this essential amenity. The Pearl at Marina Shores is setting a new standard for communities in Virginia Beach. We're honored to support EV charging and luxury living at The Pearl at Marina Shores."

The new SemaConnect Series 6 charging stations at The Pearl at Marina Shores are compatible with all EVs and are designed for Virginia's ever-changing weather. Interactive LED lights show station status at a glance, and the cable management system helps keep the stations clean and organized. [Smart technology](#) on the SemaConnect Network allows property management to manage access, customize pricing, and view sustainability and usage reports. EV drivers can join private stations, manage payments, find nearby stations, and view charging status on the SemaConnect mobile app. The new SemaConnect stations are currently open and ready to charge residents of The Pearl at Marina Shores.
